2026 USMC Ball - HQ & Service Battalion, HQMC, Henderson Hall

Option One:

We photograph interested attendees and have them pay for their packages. We then pick the best expression, apply light retouching, print the packages and mail them directly to their residence. This process takes approximately two weeks from the time photographs are taken.

Pre-Paid Packages

- A- 1-8x10 and 2-5x7 and 8 wallets \$35
- B- 1-8x10 and 2-5x7 and 4-4x5 and 8 wallets \$39
- C- 2-8x10 and 2-5x7 and 8 wallets \$41
- D- 2-5x7 and 8 wallets \$31
- E- Digital file \$30

There is a \$7 shipping fee that is applied to these packages with the exception of digital which is emailed. All of our products are satisfaction guaranteed or money back.

Option Two:

Digital.

We photograph interested attendees and charge a \$25 fee at the time images are taken. A full resolution digital file is then emailed to purchasers within 5 business days.

The images are also put in an online gallery so they can have photographs professionally printed and mailed to their homes if they would like more than the digital file. The online prices are \$12 per unit and shipping fees are applied based on where it is being sent and which shipping method they choose. A unit consists of 1-8x10 or 2-5x7 or 4-4x5 or 8 wallet photographs.

We provide everything that is required for the evening including full length canvas backgrounds, professional lighting, flags and staff. There is never a charge to the unit.
